Secondary Medical Insurance:		Policy Holder/Relationship
Subscriber ID #	Group #	Telephone #

Please include copies of the front and back of the Patient's Insurance Card(s).

To avoid delays in the approval process, please provide complete insurance information.

C PATIENT AUTHORIZATION FOR THE USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION

I authorize my health care providers, including my pharmacies and health plan(s) ("Health Care Providers") to disclose my personal information, including information about my insurance, prescriptions, medical condition and health ("Information") to United Therapeutics and its contractors and business partners (including the Access Solutions and Support Team [ASSIST]) (collectively "United Therapeutics") for the following purposes:

(1) to verify, investigate, and assist with the coordination of my coverage for United Therapeutics products; (2) facilitate my access to prescribed United Therapeutics products; (3) contact me to discuss available patient support programs; (4) determine my initial and continuing eligibility for assistance programs; (5) provide educational information and promotional materials related to United Therapeutics products or my condition or treatment; (6) internal review by United Therapeutics of its programs for continuous improvement; and (7) use my deidentified information for ongoing analysis and quality improvement for United Therapeutics medicines.

Certain Health Care Providers may receive payment from United Therapeutics in exchange for disclosing my Information as described above and/or for using my information to contact me about United Therapeutics products and other support programs.

I understand that federal privacy laws may not protect my Information once it is disclosed; however, United Therapeutics agrees to protect my Information by using and disclosing it only for the purposes specified. **I understand that I may refuse to sign the authorization and that this refusal will not affect my treatment, insurance coverage, or eligibility for benefits. However, if I do not sign, I may not be eligible to receive education and patient support services provided by United Therapeutics.**

This authorization will expire in ten (10) years after the date it is signed unless a shorter period is mandated by state law or I revoke or cancel my authorization before then. I understand that I may cancel this authorization at any time by fax at 1-800-380-5294 or by writing to: United Therapeutics Corporation ASSIST, 1130 S. Harbor City Blvd., Suite 103, Melbourne, Florida 32901, but the cancellation will not apply to information that Health Care Providers have previously disclosed in reliance on this authorization. I understand that I am entitled to receive a copy of this authorization once signed.

SIGN HERE

Patient Name (Print) Mary Smith **Patient Signature** Mary Smith **Date** 12/14/19

If the patient cannot sign, Patient's Representative must sign here. Patient Representative Signature _____ Date _____

Describe relationship to patient and authority to sign this form for patient: _____

The patient's signature is not required to process the Referral Form; however, it is needed to authorize ASSIST to provide access and support and arrange other services with a Specialty Pharmacy.

ORENITRAM PATIENT SUPPORT PROGRAM

By checking the box below, I agree to be enrolled in the Orenitram Patient Support Program which includes receiving information and promotions from United Therapeutics regarding programs and services related to my condition, including treatment information. Information sent by United Therapeutics does not take the place of talking to your healthcare provider about your treatment or condition. **United Therapeutics, or third parties working on its behalf, will not sell your information or use it for any unrelated purposes.** If, in the future, you no longer want to receive these materials or participate in these programs, please call 1-877-864-8437. Please visit Orenitram.com to review our Privacy Notice.

CHECK HERE

☐ **By checking this box, I agree to be enrolled in the Orenitram Patient Support Program.**

Patients can sign up for the Orenitram Patient Support Program. After Referral Form approval, your patients will receive information about the programs and services offered.

Please note: United Therapeutics cannot guarantee payment for United Therapeutics products and directs patients to discuss treatment options with their healthcare provider.

Please select an option:
☑ **Specialty Pharmacy home healthcare RN visit(s)** to provide education on self-administration of Orenitram to include dose, titration, and side effect management (see page 4/next page)
OR
☐ **Prescriber-directed Specialty Pharmacy home healthcare RN visit(s) as detailed below:**

_____

_____

G PRESCRIBER SIGNATURE: PRESCRIPTION AND STATEMENT OF MEDICAL NECESSITY

I certify that the medication ordered above is medically necessary and that I am personally supervising the care of this patient. I authorize United Therapeutics ASSIST to act on my behalf for the limited purposes of transmitting this prescription to the appropriate pharmacy designated by the Patient utilizing their benefit plan.

PHYSICIAN SIGNATURE REQUIRED TO VALIDATE PRESCRIPTIONS.

SIGN HERE

Physician's signature J. Trapper **Physician's signature** _____ **Date** 12/14/19

Dispense as Written Substitution Allowed

(Physician attests this is his/her legal signature. NO STAMPS.) **PRESCRIPTIONS MUST BE FAXED.**

Please note: The responsibility to determine coverage and reimbursement parameters, and appropriate coding for a particular patient and/or procedure, is the responsibility of the provider. The information provided here, or through ASSIST, is not a guarantee of coverage or reimbursement.

United Therapeutics CORPORATION

Along with your information, please include the preferred method of contacting your office.

Include all requested patient disease information.

A TID dosing schedule is recommended, as Orenitram is best tolerated when taken every 8 hours.

Be sure to check all dosing strengths, as patients may require different strengths as they titrate to maximum tolerated doses.

The Specialty Pharmacy will generate a dosing sheet from initial prescription up to the goal dose specified.

Select either the established home healthcare nurse schedule or customize the schedule/format using the second, write-in option.

Physician signature is required before submitting the form.

PATIENT NAME: _____ **DATE OF BIRTH:** _____

OPTIONAL: SIDE EFFECT MANAGEMENT STRATEGIES

By providing your side effect management strategies below, SPS will be able to follow up with the patient regarding your directions for managing side effects. If dose increments are not tolerated, consider titrating slower. Be sure to include directions to SPS for dosing in section F of this form.

NOTE THAT ANY INFORMATION PROVIDED BELOW IS NOT A PRESCRIPTION. RATHER, IF ADDITIONAL PRESCRIPTIONS ARE INTENDED, THEY SHOULD BE PROVIDED TO THE PATIENT SEPARATELY.

Headache

☑ Acetaminophen____mg___Frequency ☐ Gabapentin **(separate Rx required)** ☐ NSAIDs **(separate Rx may be required)** ☐ Opioids **(separate Rx required)**

☐ Tramadol **(separate Rx required)** ☐ Other _____

Diarrhea

☐ Add fiber to diet ☐ Loperamide____mg___Frequency ☑ Diphenoxylate/Atropine **(separate Rx required)** ☐ Dicyclomine **(separate Rx required)**

☐ Other _____

Nausea

☐ Metoclopramide **(separate Rx required)** ☑ Ondansetron **(separate Rx required)** ☐ PPIs **(separate Rx may be required)** ☐ Prochlorperazine **(separate Rx required)**

☐ Promethazine **(separate Rx required)**

☑ Other *Take doses with food*

ADDITIONAL INSTRUCTIONS

Provide any additional instructions for SPS on preferred communication or managing other side effects (eg, flushing, pain in jaw, pain in extremity, hypokalemia, abdominal discomfort).

Specialty pharmacy nurse to call M.D. office at completion of each nurse visit to provide a report on patient status.

NOTE: SPS offers additional in-home nurse visits on request.

United Therapeutics CORPORATION

You can provide information about your preferred methods for managing side effects for your patients in this section. Instructions listed will be communicated to the Specialty Pharmacy.

Be sure to specify all recommended treatments for side effect management. This allows the Specialty Pharmacy to discuss these treatments with the patient.

You can request specific support (for example, additional in-home nurse visits for education on specific topics).
